Authorisation Statement

Sterling Trust Professional Ltd is Authorised and Regulated by the Financial Conduct Authority. The Financial Conduct Authority (FCA) regulates the financial services industry in the UK and their address is 25 The North Colonnade, Canary Wharf, London, E14 5HS. You can check this on the FCA's Register by visiting the FCA's website www.fca.gov.uk/register FCA No. 220603 or by contacting the FCA on 0845 606 1234.

Our services

Sterling Trust Professional Ltd is able to act on your behalf in advising you on investments and non-investment insurance contracts. We offer products and services as follows:

- **Investments** - we offer an Independent advice service. We will recommend investments based on a comprehensive and fair analysis of the market. We will place no restrictions on the Investment Markets we will consider before providing investment recommendations, unless you instruct us otherwise. We will however only make a recommendation when we know it is suitable for you.
- **Non-investment protection contracts** - we offer non investment protection products e.g. term assurance, income protection and critical illness from a range of insurers.
- **General Insurance Contracts** - we offer General Insurance contracts e.g. Buildings and Contents from a range of insurers.

We offer you an initial discussion (at our expense) at which we will describe our services more fully and explain the payment options. If you decide to go ahead, we will:

- Gather and analyse personal financial information about you and your aims and objectives;
- Recommend and discuss any action we think you should take and, with your agreement, arrange relevant solutions for you.

You should be aware that investments carry varying degrees of risk and as their underlying value can fall as well as rise you may not get back the full amount invested.

Your aims and objectives

Unless we notify you in writing to the contrary, we will be treating you as a "retail client". This means that you are afforded the highest level of protection under the regulatory system and should have the right to take any complaint to the Financial Ombudsman Service.

Any advice or recommendation that we offer to you, will only be given after we have assessed your needs and considered your financial objectives and attitude to any risks that may be involved. We will also take into account any restrictions that you wish to place on the type of products you would be willing to consider.

With very few exceptions, we will confirm to you in writing the basis of our recommendations along with details of any special risks associated with the products recommended.

Full details of the products we recommend to you including, for example, the minimum duration of the product, information on your right to cancel or whether no right to cancel exists, and any other early termination rights and penalties, will be covered in the relevant product disclosure information you will receive before conclusion of any contract.

We will issue any documentation/recommendations and any other communication to you in English (unless agreed otherwise).

We may also, on occasion, advise on other financial products which are not regulated by the FCA under the Financial Services and Markets Act 2000. The Financial Services Compensation Scheme does not apply to any of these products.

Under the terms of this agreement, we may, if appropriate, advise you on investments which are not readily realisable. We would draw your attention to the risks associated with these investments as there is a restricted market for them. In some circumstances it may therefore not be possible to deal in the investment or obtain reliable information about its value.

Our Ethical Policy

We are committed to providing the highest standard of financial advice and service possible. The interest of our clients is paramount to us and to achieve this we have designed our systems and procedures to place you at the heart of our business. In doing so, we will:

- be open, honest and transparent in the way we deal with you;
- not place our interests above yours;
- communicate clearly, promptly and without jargon;

Our Investment Services and Costs

We provide you with an initial consultation free of charge. This helps us to understand your financial objectives and will confirm how we can support you in working towards these. We will also discuss the cost, and levels, of our services both initially and throughout our relationship with you.

We charge our services by way of a fee. These fees are based on a percentage of the amount you invest.

Financial Review and Recommendation

This can be a continuation from the initial discussion, where agreed, or a further appointment. This process covers the:

- gathering of information about your existing financial arrangements and full personal circumstances;
- understanding of your investment knowledge and attitude and tolerance towards investment risk;
- recommendation of an asset allocation model that matches your risk profile and the subsequent assessment and suitability of any existing holdings;
- preparation of our recommendations to you;
- arranging a second appointment to explain and discuss our recommendations in detail.

Our charge for this service is a fixed fee of £750 payable on provision of the report containing our recommendations to you. This fee will be waived wholly or in part should you decide to implement any of our recommendations.

Policy Arrangement & Implementation – Lump Sum Investments, Transfers and Annuity Purchase

Should you instruct us to proceed with any of our recommendations we will act for you in the following ways:

- Handle all fund and policy administration on your behalf;
- Provide regular updates to keep you informed of progress;
- Ensure all your documents are issued in line with your expectations;
- Provide confirmation of all actions taken on your behalf in writing.

Our charge for this service is 3% of the amount you invest and/or transfer. Subject to a minimum of £750.

This payment can either be taken from your investment upon receipt by the policy provider or paid directly by you. Where we receive such a payment we will waive our 'financial review and recommendation' fee by the same amount.

Example 1; if we arrange an investment on your behalf for £10,000 our implementation fee would be £300. As this is less than the 'financial review and recommendation' fee of £750 we would charge you an additional £450 as the balance.

Example 2; if we arrange investments on your behalf totalling £100,000 our implementation fee would be £3000 (i.e. 3%). As this exceeds the 'financial review and recommendation' fee no other charges would be applied.

Policy Arrangement & Implementation – Regular Premium Savings or Investments

Our charge for implementing a regular premium savings or investment plan is a minimum of £750 (Financial review and recommendation fee). You can pay this under either of the two options listed below:

Option 1

You can pay this in full directly prior to commencement of the policy. On receipt of this payment we will waive our 'financial review and recommendation' fee by the same amount.

Option 2

You can pay the 'implementation fee' through your policy. The fee will be deducted from each monthly contribution during the first 4 months. Where we receive such payments we will waive our 'financial review and recommendation' fee by the same amount and any balance due will be payable prior to commencement of the policy.

Example 1; if your monthly contribution is £50. The implementation fee will be collected by deducting £50 from each monthly contribution for the first 4 months. As this is less than the 'financial review and recommendation' fee of £750, prior to commencement of the policy, the balance of £550 will be payable in full.

Example 2; if your monthly contribution is £200. The implementation fee will be collected by deducting £200 from each monthly contribution for the first 4 months. As this exceeds the 'financial review and recommendation' fee no other charges would be applied and only £150 would be taken from the fourth monthly contribution.

Should you decide to pay this charge through your policy and payments to the policy subsequently cease, we will calculate the total payments received to date and charge you the balance against the 'financial review and recommendation' fee.

On-going Reviews and Changes to Existing Investments

We will discuss the full range of our on-going services during our initial consultation. These services include, but are not limited to, providing you with:

- structured reviews to give you peace of mind;
- an assessment of your circumstances and any changes to your plans that are needed;
- regular updates and information regarding your holdings;
- a choice of differing levels of support depending on your needs;
- on-going support with correspondence and administration issues.

Details of these different levels of services are contained in our Service Proposition and Engagement document. We will agree separately the level of on-going services at the time of, or prior to, making our recommendation(s) to you. Our costs range from 0.5% to 1% per annum and are based on the value of your investment(s). Therefore, if the value of your investment(s) totalled £50,000 our yearly fees would range from £250 to £500. The amount you pay will fluctuate with the value of your investment; if your investment increases in value the amount you pay us will also increase and if your investment falls in value the amount you pay us will reduce. It should be noted that if you choose any of our on-going management services they are subject to a minimum fee per annum as set out in the Service Proposition. Any change to the level of services throughout this agreement will result in pro-rata charge being applied.

The charges listed above can be deducted from your investments or paid directly by you. You should note that when paid through the investments it may reduce your personal tax thresholds and/or exemption levels. Where this happens we will discuss it with you and confirm it in your personal recommendation report.

Our Insurance and Protection Services and Costs

Similar to our investment services above, we will provide you with a personal and financial review prior to making our recommendation(s) to you. Should you accept our recommendation(s) we will arrange the implementation of this/these for you. The reasons for our recommendations will also be provided to you in a written report.

We do not charge a fee for our insurance and protection services as we will normally receive commission from the policy provider. You will not be subject to VAT for this service.

Hourly Rate

Our services can also be paid for on an hourly rate basis.

Rates

Senior/Specialist Adviser	£200 per hour
Financial Adviser	£150 per hour
Research	£75 per hour
Administration	£50 per hour

VAT

Under current legislation our services are not subject to VAT but should this change in future, and where VAT becomes due, we will notify you before conducting any further work.

Cancellation rights

In most cases you can exercise a right to cancel by withdrawing from the contract. In general terms you will normally have a 30 day cancellation period for a life, pure protection, payment protection or pension policy and a 14 day cancellation period for all other policies.

For pure protection policies the start of the cancellation period will normally begin when you are informed that the contract has been concluded or, if later, when you have received the contractual terms and conditions. In other cases, the cancellation period will begin on the day the contract is concluded or, if later, the day on which you receive the contractual terms and conditions. Instructions for exercising the right to cancel, if applicable, will be contained in the relevant product disclosure information which will be issued to you.

If you cancel a single premium contract, you may be required to pay for any loss you might reasonably incur in cancelling it which is caused by market movements. This means that, in certain circumstances, you might not get back the full amount you invested if you cancel the policy.

Client money

Sterling Trust Professional Ltd is not permitted to handle client money and we cannot accept a cheque made out to us (unless it is in respect of an item for which we have sent you an invoice) or handle cash.

Documentation

We will endeavour to make arrangements for all your investments to be registered in your name unless you first instruct us otherwise in writing. All policy documents will be forwarded to you as soon as practicable after we receive them. If there are a number of documents relating to a series of transactions, we will normally hold each document until the series is complete and then forward them to you.

Instructions

We prefer our clients to give us instructions in writing, to aid clarification and avoid future misunderstandings. We will, however, accept oral instructions provided they are confirmed in writing.

Material Interest

We will act honestly, fairly and professionally known as conducting business in 'Client's best interest' regulations. Occasionally situations may arise where we or one of our other clients have some form of interest in business transacted for you. If this happens or we become aware that our interests or those of one of our other clients conflict with your interest, we will write to you and obtain your consent before we carry out your instructions, and detail the steps we will take to ensure fair treatment.

Complaints

If you wish to register a complaint, please write to Mr J Grantham, Sterling Trust Professional Ltd, 11 Waterside Business Park, Livingstone Road, Hessle, HU13 0EG or telephone 01482 646800.

Compensation Scheme

We are covered by the Financial Services Compensation scheme (FSCS) if we cannot meet our obligations. This is dependent upon the type of business and the circumstances of the claim. Most types of investment business are covered up to a maximum limit of £50,000, whereas Insurance business is covered for 90% of the claim, without any upper limit.

Further information about this compensation scheme arrangement is available from the FSCS.
